### Mechanism for Internal Assessment and Grievance Redressal Khagarijan College, Chotahaibor, Nagaon, Assam (DOCUMENT)

(Based on the Examination Guidelines Issued by Gauhati University dated. 08-11-2019)

The College is an affiliated institution under Gauhati University and it follows the Rules and Regulations for conducting Programmes/Courses and Evaluation from time to time. On the basis of the Examination Guidelines, the college has developed a mechanism to deal with the Assessment and Assessment related Grievances of the Students.

#### Evaluation:

A student's performance will be evaluated throughout the year based on continuous assessment. Evaluation of the student's performance in each semester for every course will be based on the following:

- Internal Assessment (IA)
- End Semester Examination (ESE)

For a student to pass in a course, she/he has to pass on the basis of the marks secured in TOTALITY in both Internal Assessment and End Semester Examination.

#### Internal Assessment (IA):

IA will ideally account for 20% of the total marks allotted to a course/paper. For evaluating the performance of the students in a continuous way, the following measures will be adopted for distributing marks earmarked for IA.

- A. Sessional or mid-term examination will be conducted for 50% of the total marks allotted for IA of a course/paper. (For example, if 20 marks is allotted for IA of a course/paper, then 10 marks will be kept aside for assessment in sessional or mid-term examination. The sessional examination will be held for 30 marks for the convenience of setting questions and covering the syllabus and the marks secured by the students will be proportionately converted to be out of 10 marks. Duration of the examination will be one hour. The question papers of the sessional or mid term examinations will be set by the concerned teacher(s) and the evaluated answer scripts will be shown to the students and corrections will be made, if any.

  
Principal  
Khagarijan College  
Nagaon : Assam

B. 20% of the marks allotted for IA will be awarded to the students based on class attendance. If the total marks for IA is 20, then 4 marks will be awarded to the students based on class attendance. The following criteria will be adopted for awarding marks under this category:

- a) Class attendance from 76% to 80%..... 1 mark;
- b) Class attendance from 81% to 85%..... 2 marks;
- c) Class attendance from 86% to 90%..... 3 marks;
- d) Class attendance from 91% and above..... 4 marks.

C. Rest 30% of the marks allotted (i.e. 6 marks) for IA will be distributed and awarded on the basis of performance of the students on the following criteria:

- i) for Practical Courses: Practical (internal practical including practical copy)
- ii) For non-practical courses:  
Home assignments; Seminar/Group discussions; Field work; Performance in co curricular and extra-curricular activities.

D. Internal marks will be scaled up/down to ensure a maximum permissible deviation of 20 percent from ESE marks. Thus, internal marks can deviate only within the mark band of % marks secured in ESE plus /minus 20 percent.

E. In case of ODI, learners admitted under GUIDOL, IA will ideally account for 20 % of the total marks allotted to a course (in a manner similar to conventional mode students) and will be distributed as follows:

- i) Sessional or Mid-term examinations will be conducted for 50% of the total marks allotted for IA of a course ( in a manner similar to conventional mode students)
- ii) Rest 50% of the marks allotted for IA will be distributed and awarded on the basis of performance of students on the following criteria ( in a manner similar to conventional mode students)
  - Home assignments
  - Seminars/Group discussions
  - Field Work
  - Performance in co-curricular and extra-curricular activities

**Procedure for conducting Sessional examination:**

- A. The sessional examination as part of Internal Evaluation will comprise of 50% of the marks earmarked. Since Internal Evaluation component will be of 20 marks, Sessional examination will be held for determining students' performance out of 10 marks. For the convenience of setting questions and covering the syllabus, the Sessional examination will be held for 30 marks of one hour duration and the marks secured by the students will be proportionately converted to be out of 10 marks. The sessional examination for a paper will be conducted by the teacher(s) who teaches that paper. The setting of question paper, invigilation duty, evaluation of answer scripts for each paper will be done by the teacher(s) concerned as part of his/her normal duty without hampering regular classes as far as practicable.
