

3.3.1: Extension activities carried out in the neighbourhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the last five years (2015-16 to 2019-20)

EXTENSION ACTIVITIES:

During the academic year 2020-2021, the college has done a number of Extension activities in neighbourhood community to sensitize the students in most relevant social issues for their holistic development by the college. For conducting extension activities, the college has an Extension Activity Cell, NSS Unit, and simultaneously all the Departments and faculty members of the college. Therefore, this is to declare that the below mention photos and description shows the college's active participation in extension activities in different avenues.

Food Distribution	Ms. Umme Salma, Department of Economics, Khagarijan College	Food distribution	01	02	100	30.04.2021

Food distribution program was organised by Prof. Umme Salma, Assistant Professor, Department of Economics

Food distribution program was organised by Prof. Umme Salma, Assistant Professor, Department of Economics, Khagarijan College among the poor people of nearby areas at her own residence, Bimola Bora Road, Daccapatty, Nagaon on April 27, 2020. On the evening of 24th March, 2020, the Government of India under Prime Minister Narendra Modi called for a complete lockdown of the entire nation to control the spread of Corona Virus which was extended later on. Due to full lockdown, all the industries, factories, working places were closed for which, the poor people and daily wagers had to struggle very badly to meet minimum expenditure for their family maintenance. A few such daily wagers are living at Bimola Bora Road and nearby areas of Daccapatty. Observing the miseries of such people, Prof. U. Salma took the initiative to distribute foods to them. Accordingly foods such as rice, flour, dal, potato, onion, egg, oil, sugar, sooji etc, were distributed to these people from her own residence on **April 27, 2021** by maintaining Covid protocol i.e. physical distancing, wearing gloves and face masks. About 10,000 rupees was incurred for foods and 100 beneficiaries were benefitted from this program. They were highly satisfied and expressed their gratitude towards Prof. U. Salma.
