খাগৰিজান মহাবিদ্যালয়

SINCE 1972

2.3.2 Teachers use ICT enabled tools for effective teaching-learning process

Infrastructure & Learning resources are an integral part of effective teaching learning process. Within the mechanism, the ICT facility and its use are an important and necessary inclusion in education of the 21st century. With the growth in technology, it becomes a priority to introduce ICT in classrooms.

Adhering to this, and for effective teaching-learning process, the college tries its best to make use of technologies in student teacher interaction. The college is equipped with good infrastructure, ambience and adequate learning resources. It has well furnished class rooms, ICT enabled classrooms, well furnished conference, well equipped Laboratory for the Students of the Department of Education etc. The college Campus has WiFi connectivity for faculty and students use.

Power Point Presentations using Projectors, Google Classrooms to set tasks and assignments, Slide share as an easy means of visual presentation, increasing use of emails and social media platforms like WhatsApp and telegram groups to distribute notes and class materials etc. are an integral part of the teaching learning process in the college.

Most faculty members also engage in various FDPs to remain updated in different technologies and features that can be used to make teaching and learning an even more interesting and feasible relation.

The college has a Digital Library platform in its Website that includes digital notes, question papers, E-Books, E-Notes etc.

The college has online education system through college website https://khagarijancollege.co.in/online/ that contains LIVE DISCUSSION, ONLINE CLASS NOTES, CLASS VIDEOS etc.
